EDUCATION

Bachelor of Architecture **September 2015 - July 2019**
Bandung Institute of Technology Bandung

- Specialization: Sustainable Architecture
- GPA: 3.80/4.00
- Thesis: 'Green Building Design for Urban Areas'

EXPERIENCE

Junior Architect **August 2019 - October 2023**
PT Ipsum Lorem Architect Jakarta

Worked on designing various residential and commercial buildings with a focus on sustainability and energy efficiency. Collaborated with clients to understand their vision and incorporated it into functional designs. Participated in project management and site supervision to ensure that the project was completed on time and within budget.

Architect Intern **July 2018 - October 2018**
PT Lorem Ipsum Designs Jakarta

Assisted in creating architectural designs and technical drawings for high-rise buildings. Conducted site visits and collaborated with senior architects in material selection and construction planning.

AWARDS

- Best Architectural Design from National Architecture Association (2022)
- Sustainable Architecture Award from Green Building Council (2021)
